NOTES/COMMENTS:

**ATTN: Examiner Gibson**

Dear Sir,

Please replace drawing sheet 2/13 as originally filed with the Replacement Sheet 2/13 submitted herewith. Please also amend the specification at pages 19 and 20, paragraph 0080, to include the reference numeral "32" and Figure recitation.

The Replacement Sheet 2/13 is amended at Figure 2C to illustrate "a longitudinally disposed groove upon its outer surface" and the reference numeral "32".

The amendment to Figure 2C and in the specification is supported by the specification at page 19 lines 2 and 4 and in the claims as originally filed. No new matter is added by this amendment.

Yours sincerely,

Matthew Kaser
